

Modern Front Yard

Hicks Yew

Limelight Hydrangea

Boxwood Hedge

Serviceberry

Rozanne Geranium

Summer Annuals

This garden is well suited to a modern home or to a client that is looking for a simple and formal garden. Featuring linear hedges, big white hydrangeas and a bed of purple geraniums. The Serviceberry is stunning in the fall season with bright orange/red foliage. Adding a border of annuals in the front of the garden provides opportunity for bright pops of colour in the summer.
